

Custom Processors (CP)

The Almond Board of California (ABC) has accepted the following list of Custom Processors (CPs) as fully validated. Custom Processors may be used for custom processing and are considered compliant with USDA's rule of a minimum 4-log reduction of Salmonella. This list will be continuously updated as the status of CPs change and/or new CPs are accepted. Should you have any questions regarding CPs, please direct them to ABC staff member Judy Scott-McKay at jscottmckay@almondboard.com

The Almond Board of California (ABC) cannot recommend or endorse any of the entities listed below.
