HYDRA-RIB

FROM BURCHELL NURSERY

Heavy production with ONE SHAKE ONE HARVEST

Self-fertile variety

High at the Almond board Crack Out for flavor

22/24 almonds/oz.

50 - 55% in-shell use

Seal

Hard shell variety

FROM BURCHELL NURSERY

Early, heavy production with ONE SHAKE and ONE HARVEST

Beautiful, light and smooth kernel like Monterey or Carmel

Size 20/22 almonds/oz. to 24/25 almonds/oz.

High crack out 60 - 65% with good in-shell use

Blanches well with a good, sweet flavor

Self-Fertile, requires fewer bees

Medium size tree, vigorous with a semi-upright to spreading habit

Blooms and harvests with or slightly ahead of Nonpareil

"Shasta has incredible production! It is a well-sealed nut with low worm damage and I like the idea that it might not need as many bees and that it shakes easy!"
